Nursing Research & Evidence Based Practice Conference
Engaging Clinicians: Advancing a Culture of Inquiry
Tuesday January 31, 2012 0730-1630

Through podium and poster presentations, clinicians share information about their nursing research, quality and evidence projects. The overall conference goals are to advance research and evidence-based practice in clinical settings and support networking for the clinician community to exchange information about evidence based practices that promote desired care outcomes.

Keynote Speaker

Gladys M. Campbell, MSN, RN, FAAN

Chief Executive Officer, NWONE

Chief Nursing Officer & Senior Leader for Clinical Strategy, WSHA
